Report on Online Expert Lecture by Shri Ashwin Patel, IPCA

Laboratories

Jointly Organized by

Department of Botany, Chemistry and Microbiology

Date: 15 July 2021

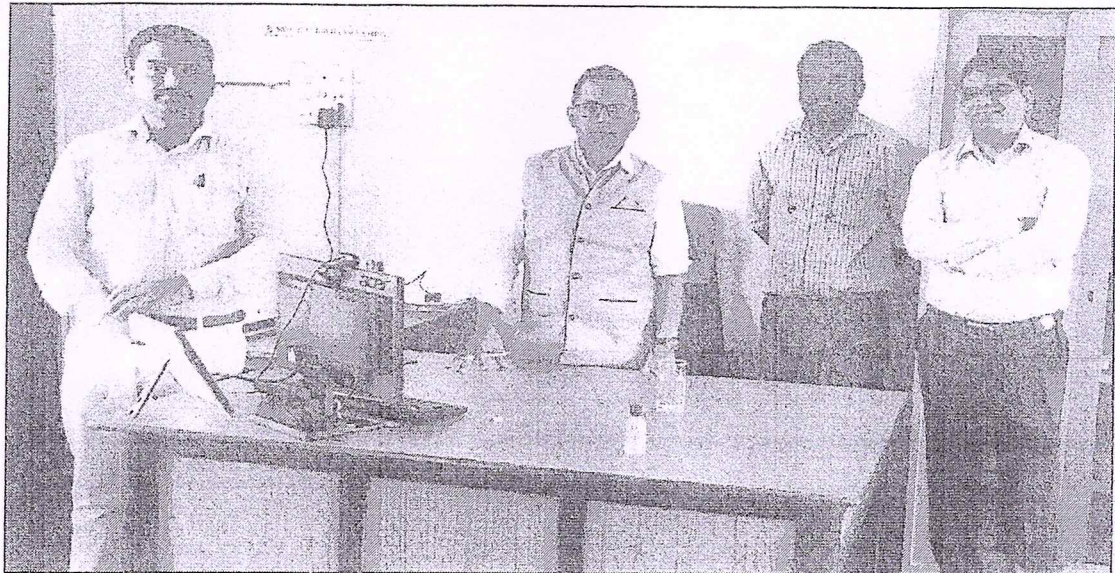

Time: 10:00 am to 12:00 noon

---

A first lecture, of an Expert Lecture Series from Industrial Resource Persons, was delivered online by Shri Ashwin Patel, Asst. General Manager, QC department, at IPCA Laboratories Ltd., Piparia, Silvassa. Dr. Sureshkumar L. Chavda, Asst. Professor (Chemistry) escorted the resource person to the staff room 3C, for the expert talk. The session was conducted on On-Line Platform of Google Meet, due to COVID-19 situations. The session started at 10:05 AM, wherein Mrs. Aparna Tailor, gave a brief introduction about the event and the resource person. Shri Ashwin Patel sir delivered a talk on "Overview of QC department in Pharma Industries" for the final year B. Sc. students (Semester VI). Total of 63 participants, including 58 students, took an advantage of interacting with the resource person. Sir started the session with brief introduction about the need for development of Standard Operating Procedures (SOP) and Quality Control (QC) departments. Sir also explained about SOP, QC procedures and QC documentation procedures in a lucid manner. He also emphasized on the Do's and Don't's of the QC documentation methods to avoid misinterpretation and further loss. The session was further continued with interaction of participants with questions and doubts. Various queries related to entry in QC/Quality Assurance (QA), career prospects in QC, starting packages, requirements of a pharma company in the candidate were asked by the participants. Ashwin sir answered all the queries with great patience and elaborated on the confidence and determination of appearing candidates. Dr. Sony Amrendra gave vote of thanks for the session. The session was recorded by Dr. Prakash R. Patel, Asst. Professor (Botany). All science faculties are thankful to college administration for the opportunity to conduct this talk session, in the benefit of students.

Training module on "Overview of Quality  
Control Department"

10:41 AM | Overview of QC in Pharma Industry

This screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the IPCA logo and text about a training module. The right side of the screen shows a grid of participant video thumbnails, and the bottom of the screen has standard Zoom controls.

Compliance first then Production

What are the benefits of cGMPs?

Prevent risk, being  
and adulteration

Freedom from 483s,  
Customer Complaints  
and System Failures

10:52 AM | Overview of QC in Pharma Industry

This screenshot shows a Zoom meeting interface with a different presentation slide. The slide discusses the benefits of cGMPs, including risk prevention and freedom from FDA 483s. It features images of pharmaceutical bottles and a box labeled 'BE FREE!'. The Zoom interface elements are consistent with the previous screenshot.
