Celebration of 200th Birth Anniversary of Louis Pasteur, Department of
Microbiology, Faculty of Science

**Report on “Celebration of 200th Birth Anniversary of Louis
Pasteur”, organized by Department of Microbiology, Faculty of
Science**

On 2nd January 2023

Department of Microbiology, Faculty of Science, at Dr. APJ Abdul Kalam Govt. College, Silvassa, has celebrated 200th Birth Anniversary of Louis Pasteur, Father of Modern Microbiology, on 2nd January 2023, 10:30 a.m. onwards, which was the first cocurricular activity celebrated at Dr. APJ Abdul Kalam Govt. College. Louis Pasteur birthday is 27th December, but due to Gujarat University exams of Semester I students, the celebration was postponed to 2nd January 2023. Department is obliged to have received permission for the celebration of the first event of new year – 2023.

The celebration started at 10:30 am sharp with Sketch competition, coordinated well by Smt. Himita A. Rathod. A total of 13 students from B. Sc. Semester II, IV and VI participated. One-and-a-half-hour time was given to students for making their sketches, on the theme “**Journey of Louis Pasteur**”. The Resource persons and respected judges, Dr. Manjula Babariya, Associate Professor, Department of Microbiology, NAMO-MERI, Silvassa arrived at 12:20 pm, along with invited judge Shri Mustafa Vohra, State Microbiologist, Virology lab, Dadra. Both the invited guests were welcomed by the Event coordinator and lamp lighting was done to receive blessings from Maa Saraswati to grant success and knowledge. Stage decoration and lamp lighting was coordinated well by Kum Vimal B. Marge and Smt. Sangita K. Parmar.

Shri Mustafa Vohra and Dr. Prakash R. Patel (Assistant Professor, Department of Botany) judged the Sketches of the participants. Parallel, Poster competition, on the theme “**Contributions of Louis Pasteur**”, was started at 12:30 pm, coordinated well by Dr. Kalpesh Mahla, Department of Microbiology, with total 15 student’s participation from Semester II, IV and VI. **Dr. Manjula Babariya and Dr. Sony Amrendra** (Assistant Professor, Department of Chemistry), judged the poster competition. Students enthusiastically presented the posters, talking about Pasteur and his contributions in the field of Microbiology.

The session was then continued with Interactive talk by Dr. Manjula Babariya, The resource person for the day. Ma’am focused on the life journey of Louis Pasteur from a Chemist

Microbiology, Faculty of Science

to becoming a Microbiologist. She also focused on various early life incidents of Louis Pasteur to motivate students to face challenges with a positive attitude. Followed by the talk, Prize distribution was done to the first three winners of both Sketch Competition and Poster competition. Prizes were distributed by honorable judges and various staff members present during the Valedictory function. The Resource person and the Judges were greeted with small plants in china clay planters, to initiate a Good Practice towards Sustaining Environmental resources.

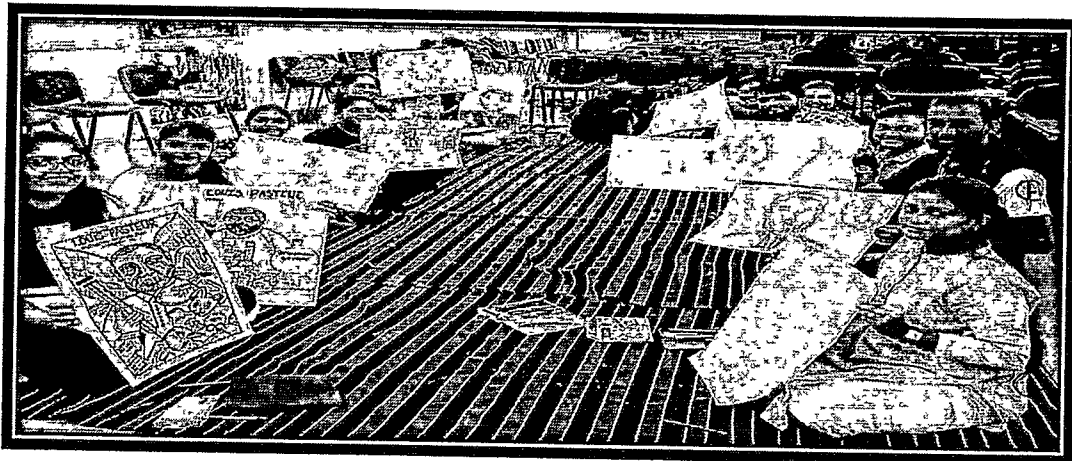

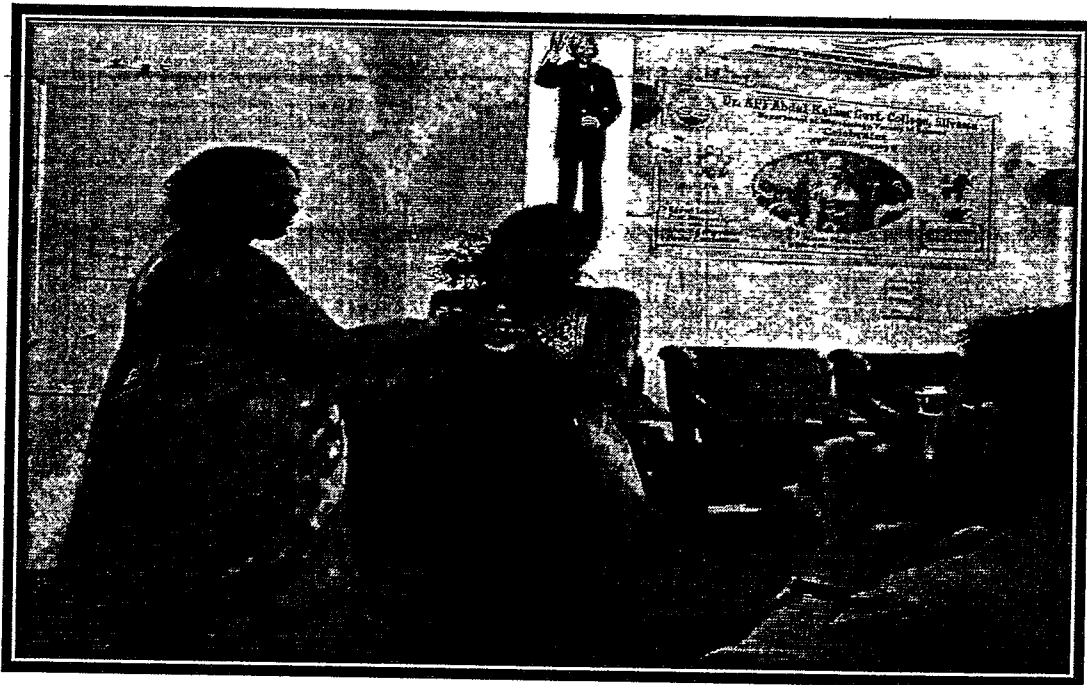

Department also acknowledged respected Principal sir with a small plant as a token of thanks, for giving permission to start a new green initiative, in the new year 2023! Dr. Aparna Jitesh Tailor, Assistant Professor and Coordinator, gave away formal vote of thanks. Shri Ishwarbhai Andher and Shri Dharmeshbhai Agri, were monitoring the technical details. The students and the staff were then given the refreshments before dispersing.
