**Celebration of National Science Day 2023**  
**Date: 28<sup>th</sup> February 2023**

On 28<sup>th</sup> February 2023 National science day was celebrated in the college on the theme of "Global Science for Global Wellbeing"

To celebrate National Science Day theme base competitions like (i) Digital Poster competition, (ii) Elocution competition (iii) Scientific Cartoon (Sci-Toons) (iv) Quiz competition was organized by the Science Faculty of Science. Students have participated enthusiastically in all competitions.

Final Year students and Principal Sir have inaugurated the celebration of National Science Day with lamp lighting and Saraswati Vandana. In the Inaugural speech, Principal Sir explained the motive behind the celebration of National Science day. Sir has also described the importance of 28<sup>th</sup> February for our country.

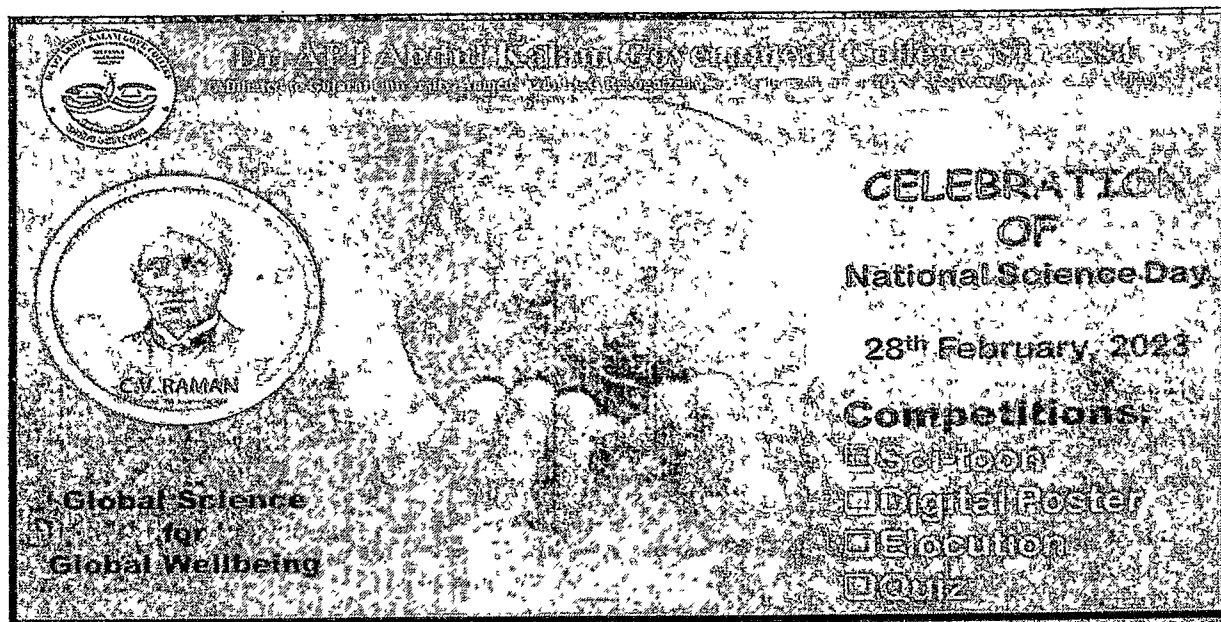

In the Digital poster competition total of 10 students participated in form of a team as well as individuals and out of this 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> winner have declared. Participants have prepared digital posters based on science day. Posters showcase topics of artificially intelligent, food technology, Agricultural science, space science, and Microbial science. etc., and how such things are important for global well-being. In the elocution competition, 09 students participated and out of which 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> winner have declared. In the elocution, speech participants explained the importance of science day, the importance of biotechnology in agriculture, the issue of climate change, issues related to public health, vaccination etc.

In the Sci-Toons (Scientific cartoons) competition total of 49 students participated. Students have drawn cartoons on a variety of subjects ranging from Nanotechnology to biotechnology, agriculture to space science, renewable energy, electric vehicle, pollution control, Robotics, vaccination and how India is getting empowered in science and technology. Out of 49 participants 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> winners have declared. For Quiz competitions, 49 students participated and after the screening, four teams are formed, which consists of three members (one each from F.Y., S.Y. and T.Y. B.Sc.). In quiz competitions, questions are set from all branches of science. There are visual questions, questions about the scientist, etc. Out of four teams, one winning team was declared.
