Academic Year 2022-23

REPORT

Date: 15th February 2023

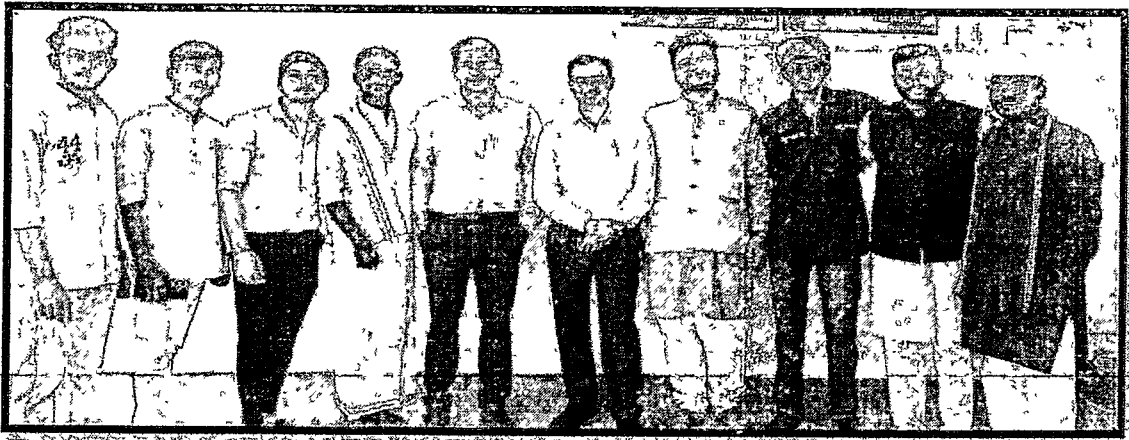

Program: Traditional Day, Quotas and Banner Day

As per the college notice Traditional Day was celebrated on 15th February 2023 after recess. It was observed as a celebration of India's diverse culture. It's a day designated for students to come in traditional attire from their home state, or specific culture of their choice.

Students were seen in traditional dress from south India, north India and also from Gujarat, Maharashtra, Rajasthan and even West Bengal. Students were completely in their high traditional spirit and enthusiasm. Their inner creativity and potentialities were showcased through traditional competition attire. In all, it was a great success and it strengthened the bonds among the students and created respect for ethnic and racial diversity in India.

Further, as per the college notice on 15th February 2023 apart from Traditional day there was Quotas and Banner day but it appears that students were not interested in a celebration of this activity as there were no Quotas or Banner seen in college.

Charde

As mention in Notice no. EDN/APJAKGC/Staff/2022-23/700/114 dated 15.02.2023 kindly find here with points for future remedial measures:

(i) My humble suggestion is that we should not blend celebration of two different (miss matched) activities on same day. Quotas and Banner day should be separately celebrated or may be combined with some suitable activity.

(ii) We may have competition where students are judge for their Traditional attire. We may also have combined traditional day with Dance competition; where student can perform various Indian Traditional dance. All competition should be followed by prize distributions. We can have more other creatives Ideas from staff and students. Therefore, a humble request for organizing one meeting with staffs and students regarding celebration of days.
